A small waterfall cascading over rocks in a lush green setting. The water is white and frothy as it falls, creating a misty spray at the base. The surrounding area is filled with green grass and foliage, creating a serene and natural atmosphere.

The background is a soft, watercolor-style composition. It features various washes of color including warm oranges, yellows, and muted reds. There are several abstract, organic shapes and patterns scattered across the page, such as a large yellow shape on the left, a red shape at the top, and a cluster of small brown dots at the bottom. The overall feel is gentle and artistic.

GOD BLESS
