Kelly Jansma, Karen Zoet, Helen Merritt, Cathy Birkeland, Eldon Sneller, and Taylyn Vander Schaaf are undergoing cancer treatments.

A recent colonoscopy confirmed a cancer diagnosis for Les Van Roekel. Thankfully there are no signs that the cancer has spread, but doctors are planning to remove a section of the colon through surgery at some point in the coming weeks.

Wes Westra is at Avera hospital in Sioux Falls for testing after suffering a seizure and heart attack due to complications with his dementia and Parkinson's. The family is requesting no visitors at this time.

Be in prayer for friends of Dave & Glenda Wurpts. Their friend Carol Nelson has stage IV kidney cancer and Sid Peterson had a tractor accident resulting in two skull fractures and a traumatic brain injury. You can follow them on CaringBridge or contact Dave and/or Glenda.
